

Monday 8th June - Level 1 Gymnastics Competition at Gemini Gym Club, Nailsea

Five students from Flax Bourton represented the school in the North Somerset Sainsbury's School Games Level 1 Gymnastics competition at Gemini Gym Club, Nailsea.

The squad performed extremely well and the majority of them were competing against students a year older than them. Performers had to display their pre-planned floorwork routine followed by two jumps from the vault. It was a thoroughly enjoyable morning and was a great experience for all. Considering it was the first time most of the squad had performed in a competitive gymnastics competition, they performed extremely well.

Surprised as they were, Flax Bourton finished in second place within the team event for the level 1 competition, whilst Roxy finished in third place within the individual competition. This was a fantastic achievement for all those involved – well done!
